

Lawn Tasks 6-9-26

1. Front raised bed: Lavender – remove dead portions and discard
2. Smoker: Put leftover flagstone pavers in front of smoker. There are at least 2 large pieces leftover.
3. Pathway from front door to driveway: Remove grass from around pathways lights so they can shine unobstructed
4. Bushes near downhill side of the wood fence: Trim dead stuff from bushes
5. Pathway from front door downhill to the backyard: Trim path leading past water outlet. There's a lot of growth onto the path itself.
6. Fountain area: Weed
7. Asparagus beds: Remove and discard asparagus and every green thing in those beds. Also, weed around asparagus beds
8. Area below asparagus beds: Weed below asparagus beds
9. Flowerbeds near woodpile: Weed
10. In front, along driveway, trim back junipers that encroaching the driveway.
11. By front door: trim back bushes framing the front door
12. In front: the large bushes by the wood fence have lots of growth extending beyond the normal growth line. Needs to be trimmed back.
13. By the road, trim junipers
